2025 SPONSORSHIP OPPORTUNITIES

Every year more than 1,000 children and adults with physical disabilities ages 5 - 21, gather at Mitchel Athletic Complex in Uniondale from across the Northeast region to participate in the Nassau County Empire State Games for the Physically Challenged. The annual event features competitive sports and recreational activities adapted to best suit their unique abilities.

Athletes, whose physical challenges include amputee, blind or visually impaired, cerebral palsy, deaf or hearing impaired, spinal cord injured and Les Autres, travel to Nassau County for a weekend of fun, friends, and reaching the finish line.

Gold, Silver, and Bronze medals, as well as ribbons, are awarded to athletes for their accomplishments in a wide variety of events including Track, Field, Archery, Swimming, Table Tennis, and Wheelchair Basketball. This 39-year tradition is made possible by generous corporate sponsors and public/private partnerships within the community!
