Rain Schedule

It is recommended that the athletes bring appropriate clothing to wear in case of rain. Generally, events will be held in the original locations rain or shine.

In the case of severe inclement weather on Friday or Saturday, events will be held in the **Nassau Community College Athletic Complex in the Physical Education Building P** (Field House on the first level, swimming pool and gymnasium on the lower level). All activity areas are wheelchair accessible.

If light rain Track and Field will continue at Mitchel. We will move 1 of each Field Event into the Global Sports building at Mitchel.
